

CITY OF SPRINGFIELD
INTER-OFFICE MEMORANDUM

ATTENTION OF Memo to file

DATE 12-23-77

DEPARTMENT _____

Re: Gasoline Spill at
National and Woodland

I responded to a call concerning a car wreck at the above location on the above date and found that the Fire Department had already washed down the area. I followed the flow and found that it ran into a storm grate in the 1300 block East Woodland. From there the storm box was dry all the way to South Creek. The gasoline should evaporate before reaching the Creek.

1300 E. WOODLAND
